

1. Log in to the course site

2. Click on the **Settings** tab at the top of the page:

3. Under **General / Course visibility**, select **Show**.

A settings panel with a white background and a thin grey border. At the top is a section header 'General' with a downward-pointing chevron icon. Below it are four settings: 'Course full name' with a text input field; 'Course short name' with a text input field; 'Course category' with a dropdown menu showing 'Select' and a question mark icon; and 'Course visibility' with a dropdown menu showing 'Show' and a question mark icon. The 'Show' option in the 'Course visibility' dropdown is highlighted in blue.

4. To save, click **Save and return to course**

A horizontal bar with a white background and a thin grey border containing three buttons. The first button is blue with white text 'Save and return to course'. The second button is blue with white text 'Save and display'. The third button is dark grey with white text 'Cancel'.
